Spring GPS Golf Tournament Fundraiser - Success!

We had a great day on Saturday! The weather was great, the tournament was great, the participants were great, the extra-curricula's were great, the food was great! What more is there to say? There is lots more to say! Most importantly a big thank you to every participant who made the day so enjoyable and a true success! And a big thank you to our sponsors that made the tournament possible!

9 yr old Arjun Somani and Kent Chase on hole #7 were one of the highlights of the tournament. We did a beat the junior on that hole and if I am not mistaken only a couple people actually beat him and it was mostly due to a rare mishit from Arjun. We hope he will join us again on future events! So tallying up the event GPS raised over $4000! And that will go toward adding more coaching teams to accommodate the demand for our program. We are approved in 133 schools in 8 school districts on the Westside and our 1 coaching team is able to serve 36. So you can see our need to reach out to our supporters for volunteers and financial support. We hope to see you all in November!

Our 1st Place winners were a 4-some of our students from Raymond S. Kellis High! Mason, Jacob, Matthew, and Cabe came in with a 56 to take the trophy! We couldn’t imagine a better finish to our tournament for the support of students in golf, than to have a group of our students win!! See pg 3 for more...
